- Wed 15th Jan - Full Gobs Meeting (6pm)
- Thur 16th Jan - MHST parent drop in (2.30pm)
Junior PE Lessons
- Fro 17th Jan - Celebration Assembly
Junior PE Lessons

Young Voices

Tickets for parents attending the Young Voices Concert tomorrow have been sent home with pupils. Please make sure you have them to gain entry to Sheffield Arena tomorrow.

CHILDREN'S TRANSPORT TO THE VENUE

Children should arrive at school at the normal time – they will have been given their T-Shirt earlier in the week to wear. Please read [this letter](#) for further information about what to bring. The coach will depart school at 11am.

PARENTS/AUDIENCE

Parents should travel separately to Sheffield Arena for the 7pm concert start and will be able to meet up with children after the concert. Mr Hebborn will be sitting with parents to help with this process. There is a well organised system. Please read all of the links below for further information about all elements of the event.

Please [click here](#) for parent information about arrangements including collecting children after the concert and parking at Sheffield Arena.

Please [click here](#) for a guide to share with your child to help them prepare for the day.

Young Voices have also provided this help sheet [click here](#) that also includes information about booking parking.

Lincolnshire Parent Carer Forum Week of SEND

The week beginning 27th January will be the LPCF week of SEND (Special Educational Needs and Disabilities). That week, every day there are events both face to face and online for parents covering a range of topics. Please [click here](#) for more information.

Phonics Workshop

On Monday 13th January at 4.30pm there will be a workshop for parents led by Mrs Skelland and Mrs Hull explaining how we teach phonics and early reading in school with suggestions about how you can support your child at home. This will be most suitable for parents of children in Reception and Year 1. We can provide childcare during the session.

School Closure due to snow

Although there is currently no short term forecast of heavy snow, we would like at this time to assure you that we will make every effort to keep the school open throughout this term. Sometimes however, weather conditions make this impossible and with so many different circumstances involving staff travelling from different areas, the timing and the amount of snow that falls etc. there is no 'one size fits all' solution regarding opening the school. Scamps staff and the caretaker all have journeys to make by car early in the morning which is also a consideration for Scamps users. Please assume the school is open unless you hear otherwise – it is therefore vital that your contact details (for email and text) are up to date as this is our best way to contact you. **Please do not leave it to the last minute to let us know that you haven't been receiving texts or emails from us!**

FOSS

Our big project for 2025 will be developing our Early Years outdoor area for which we are considering a number of tenders from contractors. Our hope is to have works done during the summer holidays. FOSS will be supporting this project.

We'll be arranging a number of events throughout 2025 which we hope you will support and indeed join the committee of parents and friends to make things happen. A succession of parents is always important as children move through the school. Get involved – it's worth it!!!

Wisdom Respect Honesty Friendship Compassion Love Peace

Don't forget, you can raise money for the school by registering with Easy Fundraising ([click here](#)). When you make online purchases with many well known retailers via this site, the school receives a commission. These commissions really add up!

SAVE THE DATE – 8TH JUNE 2025. NEWS TO FOLLOW!

Starting School in Reception September 2025

Please [click here](#) for information about starting school in September 2025. The application window closes next Wednesday (15th January).

Height and Weight Checks for children in Yr 6 and Reception

This term, the School Nursing Team will be visiting school to carry out height and weight checks for children in Reception and Year 6. Please [click here](#) for more information about the programme.

If you **do not** want your child's height and weight to be measured, or your child has a medical condition that affects their height or weight, please contact the School Nursing Team by emailing BS_NCMP@lincolnshire.gov.uk or by calling the Single Point of Access (SPA) on 01522 843000.

Dates for your diary

10th Jan - Young Voices
15th Jan - Full Gobs Meeting
27th Jan - Little Bear Cubs
15th -23rd Feb - Half Term

Term Dates

Our term dates for the next few years are available to view by [clicking here](#).

Scampton Church of England Primary School

Little Bear Cubs

**Is your child due to start
school in September 2025?**

If they are, why not bring them to a fun play afternoon. It's usually on the last Monday of every month. It would give you the opportunity to get to know the school and the staff who work in the early years. Come and join us on the afternoons below.

Between 1.30 – 3.15 pm

Monday 25th November
Monday 27th January
Monday 24th February
Monday 24th March

If you have any questions please contact the school on 01522 730340

Should I keep my child off school?

Yes

Until...

Chickenpox	at least 5 days from the onset of the rash and until all blisters have crusted over
Diarrhoea and Vomiting	48 hours after their last episode
Cold and Flu-like illness (including COVID-19)	they no longer have a high temperature and feel well enough to attend. Follow the national guidance if they've tested positive for COVID-19.
Impetigo	their sores have crusted and healed, or 48 hours after they started antibiotics
Measles	4 days after the rash first appeared
Mumps	5 days after the swelling started
Scabies	they've had their first treatment
Scarlet Fever	24 hours after they started taking antibiotics
Whooping Cough	48 hours after they started taking antibiotics

No

but make sure you let their school or nursery know about...

Hand, foot and mouth	Glandular fever
Head lice	Tonsillitis
Threadworms	Slapped cheek
