Lincolnshire Show

Next week on Wednesday and Thursday it is the Lincolnshire Show. There will be a number of road closures, temporary traffic lights and diversions in place to cope with the increased traffic. Please check your journey and allow plenty of time to get to school for drop off and pick up.

Each year, our school takes part in the Lincolnshire Show Schools Challenge. This year Class Americas will be showing off our project – 'Nature Nurture'.

Year 3/4 will be visiting the show on Wednesday 18th June.

Year 5/6 will be visiting the show on Thursday 19th June.

Being so close to the Showground, we will not be booking coach transport and anticipate using staff cars and the help of parents to get children to and from the showground.

On both days, children should be dropped off at school promptly at 8.50am so that we can get to the showground in good time. Children will return to school on both show days by 3.30pm.

OVER THE NEXT FEW DAYS WE WILL BE DISCUSSING TRANSPORT WITH PARENTS AT DROP OFF AND PICK UP. IF THERE ARE GROUPS OF PARENTS WHO CAN ARRANGE BETWEEN THEMSELVES (AND LET US KNOW) IF THEY CAN TAKE THEIRS AND FRIENDS

CHILDREN, THAT WOULD BE GREAT. IT WOULD BE MOST HELPFUL TO TRAVEL UP TO THE SHOWGROUND IN CONVOY SO THAT WE ARRIVE AT THE SAME TIME AND PLACE. MEETING AT SCHOOL ALSO HAS THE ADVANTAGE OF REGISTERING, TOILETS AND ORGANISING WRIST BANDS.

IF YOU INTEND MEETING YOUR CHILD AT THE SHOW TO SAVE COMING BACK TO SCHOOL FOR 3.30PM – PLEASE MAKE US AWARE. THIS HELPS WITH RETURN TRANSPORT.

For the show, your child should bring a packed lunch (**please do not order a school meal**) and a water bottle in a bag that they can carry with them all day. Children should be in school uniform and bring a waterproof coat in case it rains. Children may wear trainers if they are more comfortable for the walking that we will be doing. Any spending money needs to be carried by pupils all day. £5 will be plenty – although there are lots of trade stands – it is the exhibits and attractions that we will be spending our time visiting (money would be perhaps for something like an ice cream).

It is necessary for this online permission form ([click here](#)) to be completed and any voluntary contribution (£5 requested) made using the BACS details below by 13th June please.

Lincolnshire County Council
Account number - 63509095
Sort Code - 20 50 39

When making payment could you please ensure you quote the reference for our school of S36000 and the child's surname (eg S36000Hebborn).

Infant Class Arrangements

With pre school visits taking place next week as we continue to prepare for our new starters in Reception, we wanted to share important news regarding infant class arrangements. After Mrs Hull leaves us at the end of this term, Miss Cleaver will be stepping up into a similar role in school. Prior to joining us in January, Miss Cleaver has had extensive prior experience as an Infant teacher and in the few short months that she has been with us has become a much valued member of our team. Our infant team will continue to

Wisdom Respect Honesty Friendship Compassion Love Peace

include Miss Brown and Mrs Skelland as class teacher. Further additions to the team are in progress. Next week we begin visiting our new Reception Pupils at their pre-school settings.

Visit by German pupils to include joint visit to International Bomber Command Centre

We are looking forward to welcoming eleven German pupils and their teachers to our school on 24th, 25th and 26th June. Our visitors attend Rote Schule in Neheim, an area devastated 82 years ago following the 'Dambusters' raid that flew from RAF Scampton. In recent years, we have been doing a shared peace project with them so it will be great to have them with us.

Over the three days that they are here, our Year 5 and 6 pupils will be doing some shared art, drama and music activities and go on a joint visit to the International Bomber Command Centre which will also support our current local history study about the RAF in Lincolnshire. This will also be a great opportunity to make new friends and practice our German skills too. There are two activities which we ask for your consent and contribution please using [this online form \(click here\)](#):

- Visit to International Bomber Command Centre on 25th June (£15 contribution requested).
- An after school party (until 5.15pm) on 26th June.

Please complete the online form and make payment by 20th June.

School Photos

Last week, pupils brought home proofs of the class and group photos for this year. Your proof will have a unique code for you to order directly with Wrates – the school photo company. Orders placed by 23rd June will be delivered to school for free.

Bikeability

Year 3/4 Bikeability – 17th October 2025

On 17th October our Year 3 and Year 4 pupils (currently Y2/3 will have their Level 1 Bikeability Training – playground only).

Year 5 Bikeability – 20th and 21st October 2025

On 20th and 21st October our Year 5 pupils (currently in Year 4) will have their Level 2 and Level 3 Bikeability Training (playground and road). We'll also include any Year 6 pupils (current Year 5) who haven't already done the course.

Today, children will have brought home a consent form and further information. Although it seems a long way away – we will need consent forms returning by 4th July so that pupils can be registered with the contractor running the course. It will hopefully give you time to ensure bikes are in a safe condition. If you need help sourcing/borrowing a bike to use – please speak with the school office.

Football Tournament at Sturton School (8th July 2025)

Thank you to all pupils/parents who put their names forward for the football tournament on 8th July at Sturton School. Unfortunately there has been insufficient take up for us to organise teams for the event so have withdrawn our entry. Hopefully we'll field a team or two next year!

Online Safety Advice

As children make the move into secondary school it is likely that many will experience many 'digital firsts'. Internet Matters have a lovely, useful guide for parents about children moving to secondary school with advice such as:

- What are children doing online.
- Are they ready for a smartphone (if they haven't already got one!).

Wisdom Respect Honesty Friendship Compassion Love Peace

- Activities children and parents can do together.
- and more

You can find the guidance [HERE](#).

We have been made aware that some Year 5/6 children have their own Facebook accounts – this is against Facebook rules (minimum age – 13). It is not the school's place to enforce this but would strongly recommend at the very least that parents monitor this type of activity especially content that is being posted (such as photos and other information which might identify and locate children).

Y6 Environment Day

Our Year 6 pupils have been invited to a day of environmental activities at the Lincolnshire Showground on 15th July. This event is sponsored by a number of local businesses who are providing interactive activities as well as the 'Recycling Olympics' led by the LCC Waste Recycling Team. Being so close to the showground, we are hoping that parents will be able to transport their child to and from the event or arrange this with another parent. Please let us know if you are struggling with this – we'll be happy to help. Children should arrive at the Epic Centre at 9.15am where staff will be there to look after them. They may be collected at 2.15pm. There is no charge for this event. Your consent is required - please complete [this online form \(click here\)](#) by 11th July 2025.

Holiday and Food Activities for the Summer Break

Parents of pupils who are eligible for Free School Meals will soon receive an e-voucher for their child to attend a local holiday club during the Summer Break. Please [click here](#) to find out how to book places.

Food vouchers will also be sent by email to eligible families. Please look out for the email – they are likely to be sent towards the end of June.

FOSS News

FOSS are asking for donations for raffle and tombola prizes. A box is in the school reception area to collect anything you can donate as a prize for the tombola. Raffle prizes for the grand raffle after the show will be very welcome!

A list has been put on the door in the front entrance of the school to collect names for anyone able to help on the night of Sausage and Song. We need people to run the bar, sell raffle tickets, help on the barbecue plus many other jobs. Please sign up to help. The more people that can help will enable everyone to not be 'on duty' all evening!

Secret Garden Performance

We were so impressed with M&M Production's performance of Peter Pan last November in the school hall that we have invited them back – this time to perform 'The Secret Garden'. This will be great inspiration for our Sausage and Song performance this year. Our German visitors who will be with us have been learning the story at their school in Germany so they will be able to follow this classic story too.

This activity obviously comes at a cost to the school. We would be grateful for a donation on the day if you can please!

Scamps News

In recent weeks in the newsletter we have let you know about the forthcoming change to Scamps Club becoming an incorporated charity. This is a necessary change that will open up opportunities for funding and support from the local authority. For users, very little will change – same staff, same prices and same times. An improvement we will be launching at the same time as the new club opening is a new booking system that has far better functionality both for users and those administering it.

Whilst most arrangements for the new club opening are complete, one vital element is still awaited – our new Ofsted registration number. Until this arrives, the existing club and booking system will remain open although as the Ofsted registration for the new club is

imminent, the current booking system will continue to be the way to make and pay for bookings. We'll be making places available **one week at a time** for the moment until we can move over to the new system. When that time comes, you will need to inform your childcare voucher or tax free childcare provider of the new Ofsted number. Please look out for communications about this from us.

Bookings using the current system are now open until 20th June 2025.

Sausage and Song

If you are new to the school and are wondering what 'Sausage and Song' is, well – you are in for a treat! Save the date in your diary for a summer's evening on the playground where children will entertain you and we'll enjoy a barbecue together. This year's performance is 'School of Pop' starring the one and only – Barry Garlow!

Suncream and sunhats

On hot sunny days, we're being careful to look after children in the sun when outdoors. Children are encouraged to favour shady areas and keep hydrated. On sunny days, it would be wise to apply suncream **before** children come to school to **last them through the day** – this is the preferred suncream 'strategy'. If you feel a further application is

Wisdom Respect Honesty Friendship Compassion Love Peace

needed later in the day, children should be able to apply it themselves (roll on is great). This should be labelled and handed to staff on arrival at school. We do not allow sharing of suncream in case of allergies. Sun hats are also strongly encouraged.

School Council News

A huge well done to Jasmine in Year 5 who yesterday had her long hair cut short to benefit this wonderful charity. Her hair will be made into a wig for someone undergoing treatment for cancer. In addition, she is seeking sponsorship for doing so. Please do sponsor her – this is School Council's nominated charity for the year. School Council has already raised over £1,300 – Jasmine's fundraiser will also make a huge difference to the charity and those it supports!
