We are really excited that this year (as a trial) we will be giving **all** pupils the opportunity to go to the Lincolnshire Show on either the Wednesday or Thursday of the show.

Why?

Firstly – there are so many learning opportunities at the show – more out of the classroom experiences in one day than we could possibly replicate in a year – from careers to livestock, sports to horticulture! Of course, our Year 5 and 6 pupils take part in the Schools Challenge where they present a project to a group of judges – lots of learning already going on for that already!

We know from experience that for many families, the Lincolnshire Show is an important part of our local culture and as such like to take their children to one of the show days. From a school perspective – some children absent on the Wednesday and then some absent on the Thursday is rather disruptive to **two** school days in a busy term. We would like to encourage parents (who are planning to go) to attend on the **same day as their child**, perhaps meeting them later in the day for some family time at the show. Our hope would be that on the day that your child isn't at the show – the class will be full because everyone will have gone on the same day as the school!

Which day will my child go to the show?

Our **Year 5/6 pupils** need to visit the Show on Judging Day which this year is **Thursday 18th June**.

Reception and Years 1,2,3 and 4 will be visiting on **Wednesday 17th June** – this decision is based on the ticket allocation deal we have secured and the availability/deployment of staff. The cost per child is significantly cheaper by making use of the number of free tickets we are allocated across both days.

Getting there and back

This is the tricky bit! Transport on show days is expensive and difficult to book. Being so close to the showground and knowing that the majority of children get to school by car anyway – we are hoping that the majority of parents will be able to make their own arrangements to get children to and from the showground (as you would for school drop off and pick up) to a designated meeting point in the main showground car park (Gate 6). Scampton Staff will be there to wait for your child, register them and once everyone has arrived, we'll go through the turnstiles together in our supervised groups. From experience, it is straightforward to drive into the car parking field, walk to the meeting point by the turnstiles to drop children off and drive back out of the car park. It will just take a little longer than the normal school run.

At the end of the day, we'll bring children back to the same meeting point for parents to collect them – just as we do each day on the school site. If you are visiting the show the same day – we'll make an arrangement for you to collect your child a little earlier so you can then continue your day at the show as a family.

What if I can't get my child to and from the showground or I need to use Scamps?

Don't panic! Scamps will be operating as normal and there will be sufficient staff cars to and from the showground if that's what we need to do. Just let us know so that we can plan for this. It will help us if parents can work together with transport as many people already do through car shares.

What if I'm running late or caught in show traffic?

We hope that everyone will allow plenty of time for their journey on show days as we always have to on those dates. Nevertheless the school telephone number will be monitored and can be diverted to staff on the showground. We'll not leave anyone behind – we promise!

School Photographs

This week, class and group photographs were taken by the school photographer. Proofs with all the details required to order your copies were sent home this week. For free delivery to school, orders must be placed online by Monday 22nd June.

Vaccinations

From next year, the NHS will be contacting you directly to inform you and seek consent for your child to receive vaccinations through the School Nursing Service (such as the fluenz vaccine). During June, we will be providing the necessary information for the NHS to contact you in order that you can manage your child's vaccinations directly with the NHS.

Wisdom Respect Honesty Friendship Compassion Love Peace

Vaccinations will continue to be carried out in school but not managed or coordinated by the school. Please [click here](#) to read a letter about this change.

Statutory Assessments

Over the course of next week, the following assessments will be taking place:

Year 1 Phonics Screen
Year 4 Multiplication Check

We'll report the outcome of all year group assessments with school reports that will be sent to parents during the week beginning 13th July.

Swimming Payments

There remain a few payments outstanding to help cover the additional costs of swimming lessons:

Two instalments of £39
One payment of £78

We do not expect a contribution from families in receipt of certain benefits. Likewise, we will be happy to help if you are need help making your payment. If we can help – we will.

Payments should be made by BACS as follows:

Account Name: Lincolnshire County Council
Sort Code: 20-50-39
Account Number: 63509095

IMPORTANT: Please quote S36000 and your child's surname in the transaction reference e.g. S36000Hebborn

Scamps

REMINDER – PLACES FOR SCAMPS MUST ONLY BE BOOKED ONLINE [CLICK HERE](#) (NO TELEPHONE BOOKINGS PLEASE) – the booking system is reliable and remains open right up until the beginning of each session.

School Drop Off

As our youngest pupils are reaching the end of their first year at school, this half term we would like to begin to encourage them to enter school

independently and start to do some of the morning routine such as putting coats and lunchboxes away by themselves. Please can you help us with this after half term by saying your 'Goodbyes' on the front playground from where staff will support them through into the classroom. This will also help a prompt start to their first lesson of the day.

Staff will still be at the front of the school to take messages, support the transition into our care and give reassurances. Thank you for your understanding and support.

Infant Visit to The Deep

We have arranged a trip for our Infant Class to visit The Deep Aquarium in Hull on Monday 29th June 2026. A 'Save our Seas' workshop has been arranged where the children will learn about keeping our oceans clean which will support some of this term's learning objectives. We will be traveling alongside our friends from Ingham Primary School.

The coach will collect the children from school at 8.45am. Children will need to be in school uniform, and wear comfortable shoes to walk in. A packed lunch and a water bottle are required - in a bag. We will depart the venue at 14:30, so will be back at approximately 3.30pm.

To enable this visit to go ahead, we would like to ask for a voluntary contribution towards the cost of the admission and transport. Sharing transport with Ingham School has significantly helped reduce transport costs enabling the price per child to be £23.23. If you are able to contribute this amount – please can you make this contribution by 22nd June. If you have more than one child in the class or are in

Attendance

In line with all Lincolnshire maintained schools, the school is enforcing a stricter attendance policy mandated by the Local Authority to reduce term-time holidays.

Parents will now be fined if their child accumulates ten or more unauthorised absences (equal to five school days) within any ten-week period.

Key details are:

- The fine is **£80 per parent, per child**, rising to £160 if not paid within 21 days.
- The Local Authority, not the school, issues the fines and receives the money.
- Work restrictions or holiday costs are not considered exceptional circumstances and will not be authorised.

The school acknowledges this may be unwelcome but must enforce this new legal framework to improve attendance.
