

9<sup>th</sup> June 2022

Today, our Year 6 pupils attended the Church Schools Festival. This is an annual event held in the Cathedral where Year 6 pupils from across the Diocese come together to celebrate the family of church schools we have the privilege to be part of. We had a lovely day together – enjoying some activities in the new education centre and the Cathedral. In the coming weeks there are many visits and activities planned. Don't forget to keep an eye on the school blog to see what we have been up to! There will be a Celebration Assembly tomorrow. The Outdoors Project resumes tomorrow.

## Pick up and drop off arrangements

Just a reminder that it is helpful for the flow of traffic at pick up and drop off times if drivers enter the layby from the Ingham end. Furthermore, if all parking can be done on the roadside of the village green, more cars can actually fit in the layby and neighbours' drives don't get blocked.

## School Meals

We are really pleased with the quality and service we have seen this week from our new meals service. We hope that children have told you the same. Please remember – the cut off for orders is Thursdays ready for the following week.

Please click here for full information about how to register and place your orders.

## Secondary Transfer

On Tuesday 14<sup>th</sup> June, Mrs Parry from William Farr School will be visiting pupils transferring there.

Next Saturday (18<sup>th</sup> June) there are 11+ familiarisation tests taking place at Queen Elizabeth High School.

## Scamps

The best way to contact Scamps, for example to cancel a booking, is to email [scamps@scampton.lincs.sch.uk](mailto:scamps@scampton.lincs.sch.uk) or send a text to 07821134400. Both are monitored throughout the day.

This week's BIG QUESTION in our assemblies was:

At the start of the pandemic, images of doctors and nurses as superheroes appeared everywhere. Whilst doctors and nurses may not have a superpower, for many, they were and still are heroes as they have served, helped, cared for and loved others. Every single one of us can be a hero! We all have the power to help others and change their lives for the better. God has given us all different gifts such as courage, strength, wisdom, love and kindness. We all have the power to use our gifts to be heroes.

## COVID-19 vaccinations for 5 to 11 year olds

Don't forget that you can still get your child vaccinated against COVID19. If you would like your child to be vaccinated, you can [book online here](#) or contact your GP surgery.

## Dates for your diary

20<sup>th</sup> June – Infant visit to The Deep  
22<sup>nd</sup> June – Y3/4 visit to Lincs Show
