

13th October 2022

As we near the end of this first half term of the year, it is great to reflect on the many wonderful things that have been achieved. Our Reception pupils have settled in really well, we've enjoyed a residential visit, we have a choir up and running and have a wealth of incredible learning going on throughout the building.

Next week, we are looking forward to our Harvest Festival Celebration and are preparing some songs to share with you and our neighbours in the village. We hope you can join us at 614 Court where it will be taking place.

FOSS have been very busy organising a wide range of events many of which are detailed in this newsletter. Please support as many as you can of these not only to help with fundraising for our new garden area but also for the benefit of being together and strengthening our school community spirit.

Don't forget to have a look at our school blog to see what we have been getting up to ([click here](#))

School Photos

The school photographer is visiting on Monday to take individual school photos and family groups. If you would like a family photo to include younger or older siblings who do not attend the school, please bring them to the front playground for 1pm and we'll get those pictures taken first. It may be necessary for you to wait outside at the front of the school until children have returned to classrooms after lunch and the photographer is ready.

Children in Class Asia will have their PE lesson on Wednesday next week so they should come to school in school uniform please.

Pumpkin Trail

FOSS are once again organising a Pumpkin Hunt around the village for children with their families to follow a map to find hidden pumpkins. Collect a letter from each to make up a word. Completed entries should be put through the school letter box by 6pm on Sunday. Winning entries will be drawn from a hat at our Harvest Festival to win pumpkin prizes.

To buy a map, please bring £1 to school tomorrow. If you forget – don't despair. Maps will also be available to buy from the Dambusters throughout the weekend.

Disco (21st October)

Next Friday, FOSS have organised a school disco for the children for which excitement is growing as our House Captains are compiling a play list and dance moves are being practiced on the playground!

Information is as follows:

Start time - 6pm

£3 entry (on the door)

Finish at 7.30pm

Please bring cash. Strictly no more than £3 for the tuck shop.

A parent is required to stay for the duration of the disco. There will be tea and coffee available to buy.

Little Bear Cubs Change of Date

Wisdom Respect Honesty Friendship Compassion Love Peace

On Friday 21st October we will be celebrating our Harvest Festival. This is always a lovely opportunity for classes to perform something to give thanks for the food we have. The event will be held on the grassed area of 614 Court (opposite school) in place of Celebration Assembly in the morning. This we hope will be a great way for the school to go into our growing community and welcome new residents to the village.

We'll also be planting three trees as part of the 'Queen's Green Canopy' platinum jubilee project.

Next week we will be collecting food donations for the Lincoln Community Larder. If you have something you can donate – please send it in. A list of the most useful items that the Lincoln Community Larder are asking for can be found by [clicking here](#).

Guitar Lessons

Last Friday, Mr Stephenson, who has taught guitar at the school for many years gave a presentation to junior pupils about learning to play the guitar. A letter about the lessons that he can provide in school can be viewed [by clicking here](#). Lessons will mostly take place over the lunchtime period so that children do not miss out on timetabled lessons. Bookings and payments should be made directly with Mr Stephenson. We have a few guitars that we can lend to pupils should they wish to try lessons before committing to buying their own guitar.

Cauliflower Cards

Please make sure that you have placed your orders and made payment for cards, mugs etc. online and returned your form to school by tomorrow. Once we know who has placed orders, we'll be able to send off the original artworks to the company so that products can be printed and delivered in good time for Christmas. Cauliflower Cards are collecting artworks on Tuesday next week.

This week's BIG QUESTION in our assemblies was:

For over 20 years, Serena Williams and Roger Federer have dominated tennis tournaments all over the world. Between them, they have won 43 Grand Slam titles. Both Serena and Roger were at the top of their sport for a long time and could be described as 'being the best'.

We all have different talents, which are gifts from God. Sometimes we may look at others and their talents or achievements and wish we could be like them and be 'the best'. God encourages us to be happy for other people and recognise their value. He also teaches us it is important to celebrate and respect others and not let jealousy get in the way.
