FOSS

A busy meeting last Monday means there are many dates now in the diary for the year ahead and plenty more ideas in the pipeline! A few are below:

Cauliflower Cards

This week, children have been doing some Christmas pictures that can be turned into cards, mugs, bags, tea towels etc. On Monday, they will be bringing home a copy of their artwork with instructions about how to order gifts online using a unique code specific to your child's picture. Your order must be placed online by Monday 16th October so that the original artwork can be sent off to the printers a couple of days later. Your order will be delivered to school in good time before Christmas. This has been a popular fundraiser for the school in recent years

FOSS Facebook Group

Why not join the FOSS Facebook Group? – this is a great way to keep up with all that is going on FOSS related including calls for help with activities etc.

Recycled uniform

Our recycled uniform really is as good as new and a great way to save money and the planet. All we ask is a small donation (eg £1 for a T-shirt, £2 for a jumper). Please email what you need (including size) to foss@scampton.lincs.sch.uk and someone will get your order ready for you.

Maintenance Morning

Saturday 14th October is our next maintenance morning -10am – 12pm. In a couple of hours, we usually achieve a lot, saving the school a small fortune on labour costs. Included on the list of works for next Saturday are – assembling some flatpack furniture, painting a shed, weatherproofing our new

wall mural, dismantling a greenhouse, clearing low level gutters and some powerwashing. Children are welcome but will need to be supervised by parents.

Autumn Disco

On Friday 20th October, 6pm until 7.30pm will be our Autumn Disco. £3 entry (on the door). A parent is required to stay for the duration of the event.

Christmas Wreath Making Workshop

Back by popular demand is the wreath making workshop on Friday 1st December at 6.30pm. Tickets are already selling fast – details below.

Football Tournament

We will again be hosting a football tournament after school 18th October. Other local schools have been invited and we are awaiting entries from them with Year 5/6 and Year 3/4 teams. We expect the first match to kick off by 4pm and the tournament should be finished at around 5.30pm.

If your child in Year 3/4/5 or 6 is interested in taking part and being in a team, please complete [this online form \(click here\)](#) so that we can organise teams and

have some practices. Please complete the form by tomorrow.

FOSS will be providing refreshments – hot dogs, donuts and drinks (all £1).

Music Lessons

We have now written to the parents of pupils who expressed an interest in music lessons from the County Music Service with instructions of how to book your child's lessons. Please be sure to get your online booking done this week so that payment can be requested after which lessons can begin – likely now to be straight after half term.

Flu Vaccination

Next Wednesday, the school nursing team will be visiting school to administer the Fluenz Vaccine. It is necessary to complete an online consent for this to happen. Please [click here](#) to read the letter from the team which contains the link to the online form. The School Nursing Service will arrive with a printed list of who has given consent and will only administer the vaccine to those children. It will not be possible to give consent on the day.

Scamps

Please be aware that the Scamps policy for late collection (ie after 5.30pm) is to charge an additional £5 for each 5 minutes (or part thereof) after 5.30pm. This will be determined by a clock displayed prominently at the Scamps entrance. **This charge will be automatically and consistently applied.** If you wish to challenge any late charges, please raise it with the Scamps Committee.

Harvest Festival

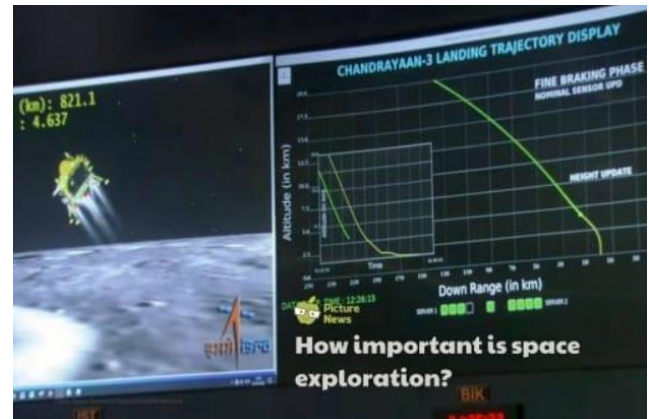

Our Harvest Festival will take place in church on Thursday 19th October shortly after drop off. This is always a lovely event when we give thanks for our food and think of those who are hungry. Each class will be sharing something in the service. We will again be donating dried and tinned food to the Lincoln Community Larder and would therefore ask that, if able, children bring to school any such items ready to send.

Collective Worship

This week's BIG QUESTION in Picture News was:

In recent weeks, both India and Russia's space agencies have tried to send unmanned missions to the Moon. They were heading to the lunar South Pole, which is a less explored part of the Moon. Whilst Russia's shuttle crashed into the Moon's surface after spinning out of control, India has become the first nation to land near the Moon's South Pole. The mission, named Chandrayaan-3, has been declared a success as the Vikram lander touched down at the end of August. The lunar South Pole is covered by shadow and largely unknown. God created the universe and everything in it, including the Moon. There are many parts of God's universe to explore and discover, which makes us wonder even more about the power and majesty of the Creator.
