Diocesan Board of Education Vision Statement

Last week, the Diocesan Board of Education launched its new vision for how it support all of its 142 schools (over 27,000 children) across the Diocese of Lincoln. At our Harvest Service next Thursday we hope to share a little more about the theologically rooted vision they have for our children and how it applies to us all. We hope you can join us.

Flu Vaccination

On Wednesday this week, the children who had been registered for the flu vaccine had this administered. The school nursing team will be returning on 29th November for a 'mop up' visit should there be any parent who now would like their child to have it. Our Harvest Festival will take place in church next Thursday (19th October) shortly after drop off. This is always a lovely event when we give thanks for our food and think of those who are hungry. Each class will be sharing something in the service. We will again be donating dried and tinned food to the Lincoln Community Larder and would therefore ask that, if able, children bring to school any such items ready to send.

Please drop your child off at school and then walk to the church. We'll bring classes along after registration.

FOSS

Cauliflower Cards

Your order must be placed **online** by Monday 16th October so that the original artwork can be sent off to the printers a couple of days later. Your order will be delivered to school in good time before Christmas. This has been a popular fundraiser for the school in recent years and we hope it will have your support again. In addition to placing your order online – please return the copy artwork to school (indicating that you have placed an online order) so that we know which originals to send off.

FOSS Facebook Group

Why not join the FOSS Facebook Group? – this is a great way to keep up with all that is going on FOSS related including calls for help with activities etc.

We expect the first match to kick off by 4pm and the tournament should be finished at around 5.30pm.

This will be determined by a clock displayed prominently at the Scamps entrance. **This charge will be automatically and consistently applied.** If

Collective Worship

This week's BIG QUESTION in Picture News was:

October is Black History Month in the UK. This year's theme is 'Saluting our Sisters' - highlighting the role Black women have played in shaping history, inspiring change, and building communities in the UK. Commemorations will feature Black women, who have made outstanding contributions to many areas including music, literature, fashion, sport, business, politics, and health care.

Jesus set an example about how to live: loving God, loving your neighbour and putting others first. The Bible teaches that the good news Jesus brings is for all people. Jesus' teachings challenged social structures and individuals that didn't include all people or were not fair.
