This training is online and should take up to 1 hour and 30 minutes to complete (many courses are significantly less). At the end of this online training there is a short test. A certificate is produced after a score of 75% or more is achieved (You can take the test as many times as you wish). Please can you provide a copy of this to Charlie or for our records.

To access the training go to:

<https://safeguardinglincolnshire.vc-enable.co.uk/>

Your username is of the form - firstname.lastname@scampton.lincs.sch.uk

Accounts have been set up for all staff but you will probably need to reset your password for first use. This will require you to log in to your school email account to do so (yes – you have one!). To log in to your school email account, do so through the ‘Google’ homepage – there is a ‘sign in’ link at the top right hand corner. Your username is again of the form firstname.lastname@scampton.lincs.sch.uk. Please ask Mr Hebborn for your password.

Should the above not be working and you want to **set yourself up as a new user** using your own email address – that’s fine (just make sure you select ‘Scampton CE Primary School’ as your organisation).

When you have logged on, click on ‘Learning’ then the ‘Available Learning’ link and select the course highlighted above. Then you are good to go! **REMEMBER TO PRINT YOUR CERTIFICATE AT THE END.**

If your teacher cannot release you for 1.5 hours to do this at school, please claim on a timesheet.

Training is funded by LCC however any training courses started but not completed within 30 days are charged to the school at a cost of £35 per course.
