

Compliance Training Guide for Staff

The school subscribes to an online training package called Smartlog. This provides online training for a number of safety and compliance needs.

You will have been given a username and password for Smartlog. Smartlg can be accessed at <https://sl.safesmart.co.uk/auth/login>

The company ID is SCAMPTON

Username – *Please ask Mr Hebborn*

Password - *Please ask Mr Hebborn*

As a minimum requirement, staff should complete the following courses within their first year:

Basic GDPR

Health and Safety at Work

Fire Awareness

You will have been sent a notification for these courses. Click the link in the email to do the training. These courses generally take between 20 and 30 minutes.
