FOSS

House Captains have collected requests for their playlists and are looking forward to being DJs for the night. Please bring cash for entry and tuck shop. We hope that you and your child can join us!

Recycled uniform

Our recycled uniform really is as good as new and a great way to save money and the planet. All we ask is a small donation (eg £1 for a T-shirt, £2 for a jumper). Please email what you need (including size) to foss@scampton.lincs.sch.uk and someone will get your order ready for you.

FOSS

We would be pleased for help with the following jobs:

- Laying a slab base for a shed.
- Erecting a shed.
- Fixing guttering and downpipes on the playground canopy.
- Painting and moving benches.
- Pruning paths through our woodland areas.
- Treating wooden stepping stones with wood preservative

On the day there will be a longer list that we can get through depending on how many adults join us. Children are welcome to come, help and play BUT must be supervised by an adult.

11+ Tests for 2025 entry to Grammar Schools

QEHS is an 11-18 co-educational grammar school and admission involves taking 11+ tests. These tests are administered by grammar schools on behalf of the Local Authority (LA). The test is composed of Verbal and Non-Verbal Reasoning tests that are specially produced by GL Assessment for the Lincolnshire Consortium of Grammar Schools.

11+ test results are released to parents before the date by which they must return their preference forms to the Local Authority.

If a child takes part in the testing procedure, this in itself does not constitute an application to a particular grammar school. Parents are not prevented from making their first choice of another school.

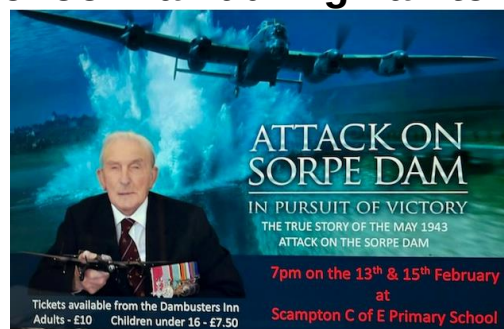

If parents have any questions, please see the Grammar School website or email the school directly.

The deadline to register your child for the test for September 2025 admission (Y5 pupils) is Friday 22nd March 2024. Familiarisation tests take place in June, actual testing takes place in September.
